TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

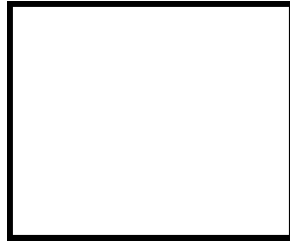

Ideas for use:

1. Use either poster to introduce colors in Spanish, or to display as a reminder. Posters could also be cut into cards.
2. Cut out larger cards on pages 6-8 and use as a bulletin board or wall display, as an introduction to colors in Spanish, or for review and practice. Make more copies and match them.
3. Print as many pages from 9-13 as desired. Match the color word cards with simple color cards, with color item cards, or both. Turn cards over and play a concentration ("memory") style matching game, or make several copies and use card decks in other familiar games such as "go fish" or "rummy".
4. Repeat pages feature anaranjado/naranja.
