TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

Ideas for use:

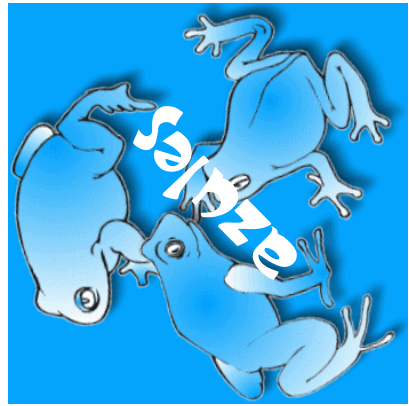

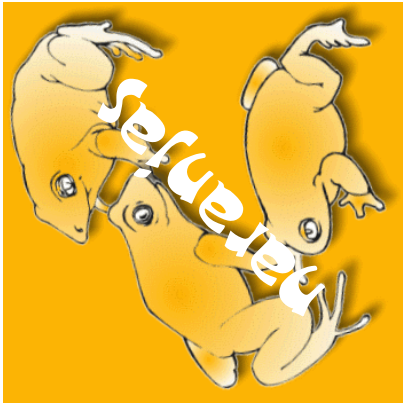

1. Cut out around playing boards on pages 2 to 7 and give one to each player or team.
2. Print one or more copies of pages 8 to 10, cut out around cards, and place in a loose pile, face-down between players.
3. On each turn, players or teams draw one card and try to match it by color to a space on their playing board. Matching cards can cover the corresponding place, and cards that cannot be used can be returned to the pile.
4. The winner is the first to cover all 4 spaces.
5. Cards can also be used for room decoration.
